Inserting a Chat Room

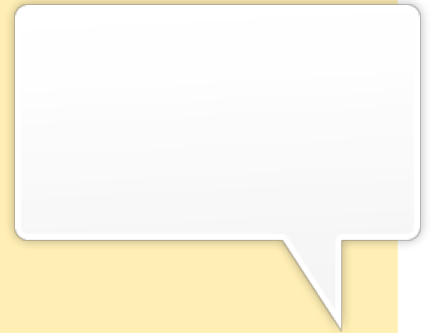

Q

What is the chat room plugin?

A

A plugin is a simple widget that you can insert into your workspace (see the image for other examples).

The Chat room plugin allows teachers to set up a simple chat room where students can type messages and communicate with each other in real time. This instant communication lets your students see who is on the workspace and send messages instantly -- without installing any software.

Q

How do I insert a chat room into my workspace?

A

- 1 Create a workspace at PBworks.com
- 2 Click "Edit page"
- 3 Click "Insert plugin"
- 4 Choose "Chat" and follow the instructions
- 5 Press save. Your chat room is live! Begin communicating with students by typing in the box.
